Re: Confidential Communicable Disease Report-Part1 instructions

Provided for your convenience is an electronic copy of the Confidential Communicable Disease Report-Part 1. Public health law requires physicians and medical facilities to report certain communicable diseases and conditions to the local public health department (NCGS 130A-134 and NCGS 130A-135). The Confidential Communicable Disease Report-Part 1 is the document you must use to communicate this information.

You may download and print the electronic copy of the Confidential Communicable Disease Report-Part 1 that is provided. Complete each section of page one except the bottom section which is reserved for local health department use. Please fax the completed report to the Lenoir County Health Department at 252-527-0002. Report forms for communicable diseases and conditions that require a 24 hour notification (see page 2 of the reporting form) should be faxed as well as notification by telephone. Reportable diseases and conditions that require 24-hour notification can be reported by telephone during normal business hours at 252-526-4200 ext. 0. If you must report a reportable disease or condition that requires a 24-hour notification and it is after-hours or during holidays, you may call 252-559-6118. Inform the communication technician that you need to speak with the local health director about a public health emergency.
